MOTION made by Deyo-Svendson, seconded by Williams, to approve the April 26, 2021 minutes. **MOTION** passed.

Eide updated the Committee on bicycle/pedestrian related projects taking place in 2021.

Under BPAC concerns, several items were discussed. At the end of the discussion, the following items were listed for future action/discussion:

- Missing trail stop sign on Junction Trail at Oak Avenue
- BPAC committee recommended making 4th Ave NE a through street by adding stop signs to all north/south cross streets
- Improve the access ramp to the sidewalk at the corner of 21st St and Frontage Road
- Paint the Bike Box on 13th Ave (near Broadway) in the near future

Williams updated the committee on the Menomin Meander event on August 21, 2021.

Beilfuss walked through our latest Bicycle City Report Card. We will need to submit a new application in 2022. We will add this item to the agenda for discussion at future meetings.

With no further business, the meeting was adjourned by Chairman Mather.

Next meeting is scheduled for October 25th, 2021 at 6:00pm.
